

Founding Community Partner

Help Colorado schools, churches, and nonprofits raise recurring funds through everyday grocery shopping. Join The Manna Fund from the beginning.

No partnership fee. No required financial contribution.

PARTNER

Join our community of businesses and share the mission. Recognition does not depend on a financial contribution.

CONNECT

Introduce us to schools, churches, and nonprofits that could benefit from an ongoing fundraising campaign.

SPONSOR

Optionally support Manna Fund business operations through your community-outreach or marketing budget.

What being a partner includes

Website visibility

Your approved logo and link on our community-partners page.

Social media recognition

Partner spotlights and tagging with your permission.

Newsletter recognition

Occasional partner features and mentions as readership grows.

Founding identity

Early-supporter recognition and a digital Proud Community Partner badge.

As we grow, so will your visibility

We are in our startup phase. As campaigns, customers, website traffic, and social audiences grow, founding partners have the opportunity to grow their visibility alongside us—and be recognized as businesses that helped build the community from the start.

A little extra for our sponsors

INDIVIDUAL RECOGNITION

Sponsors are recognized by name, not just listed, as businesses helping launch The Manna Fund.

A DEDICATED FACEBOOK POST

Each sponsor receives its own spotlight post introducing your business to our growing community.

A PRACTICAL UPSIDE

Although your sponsorship is not a “donation,” talk to your CPA about the benefits of marketing, advertising, and sponsorship write-offs. (Not financial advice.)

Optional sponsorship supports Manna Fund's business operations, separately from campaign proceeds and payouts. Recognition is not based on amount contributed. Sponsorships are not represented as tax-deductible charitable contributions; consult your tax adviser about your business's treatment.
